DAY & NIGHT

## TWO COLORS

MAKS fluo is available in fluorescent yellow and fluorescent blue (+screws TX30 7,5 x 212).

## LUMINOUS MARKING CAPS

The MAK fluo outdoor lighting marker is a simple solution to all of your outdoor lighting problems. This high quality plastic marker is filled with the fluorescent material that provides any outdoor space with a beautiful glow for up to 12 hours. The cap has a life span of over 10 years. It can be used along pathways, gravel driveways, grass walkways and even on natural stone! Simply secure the light to the ground and you're ready to go.

No messy wiring or expensive installation!

So forget all of your outdoor lighting headaches and get MAK fluo to light your way!
