Technical data sheet Fluo

General:

Mad in Croatia - EU, Injection moulding product

Product certification: ISO 14001 – ISO 9001 – CE

Properties:

Siameter	ca. 85mm
Dimensions of the screw	Ø 7,5 mm x 212 mm
Weight	34,0 g / Fluo
	42,2 g / Screw
Material	Polypropylen, Copolymer, 100% recycelble
Color	Green, blue
Breaking strain	ISO 844 : > 100 Tonnen/m²

Additional properties:

Flexibility	Guaranteed
Chemical resistance	Guaranteed (Acids, alkalis...)
Behavior at cold temperature	Frost-proof, retains its flexibility
UV Stability	UV532 (2%)

Installation on almost all surfaces with a tab from approx. 8mm: concrete blocks, natural stone surfaces, simple gravel and gravel paths, such as lawns.
